Example Venture Crawl Pitching…

Birkbeck Futures @BirkbeckFutures · Mar 23

One of our parts of this week has to be #VentureCrawl - it was a really great day offering so many interesting insights & we loved hearing everyone's pitches!

Audit your eco-system:

- If you are going to explore your eco-system – *you need to audit it*
- On each table – *We've left an Entrepreneurship Eco-system Audit Canvas ™*

In Groups we'd like you to spend 10 minutes auditing your eco-system

We'll then come back and discuss…

Venture Crawl, Our Values, Our Ambitions

- We exist for students – *they drive us*
- We are not interested in being good - *We only accept awesome*
- We are a coalition of the willing - *We work together because we like it and we are open to all*
- Diversity is our superpower - *our events have a 50/50 gender balance*
- We want to spark creative collisions - *Getting our students founding together*
- We are ambitious to be global - *We will share what's good and get others doing the same*
