

Embedding entrepreneurs to co- create and co-deliver - the experiences of CEDAR within the Entrepreneurial University of the Year

Prof Lester Lloyd-Reason

CEDAR: We make a difference by being different

CEDAR is a unique mix of expert academics, leading practitioner teachers and world-class entrepreneurs. Together we co-create and co-deliver:

1. Ground breaking academic programmes to provide our students with an entrepreneurial mindset
2. World class research
3. Enterprise development activities at a regional, national and international level
