

SPONSORS & EXHIBITORS IEEC2025

DISRUPTIONS, FUTURES
AND ENTERPRISE EDUCATION

10-12 September 2025

Manchester Metropolitan
University Business School

What is IEEC?

IEEC is the 19th International Educators Conference.

Our audience of Further and Higher Education staff, from the UK and across the globe, are at the forefront of innovative enterprise, entrepreneurship, start-up and growth support for students, graduates and established businesses.

IEEC consistently attracts around 300 delegates, including senior decision-makers, academics, start-up and growth professionals and careers and employability advisers from higher and further education and aligned organisations.

Why sponsor and/or exhibit?

You will connect with one of the largest global enterprise and entrepreneurship education audiences who are looking for tools, services, networks, connections and opportunities to enhance their enterprising work. There's no better place to raise your profile and meet key influencers/decision-makers. The event that you sponsor at the conference will feature your company name in all our communications and on all publications/platforms.

Exhibitors are located in the central conference networking and catering area where they are perfectly placed to engage with delegates who will be encouraged to chat to you. We are confident you will have a busy and commercially worthwhile visit to IEEC2025.
